

FIRSTKLAZ

RECORDING ARTIST
SONGWRITER

Firstklaz, a name derived from his academic prowess and commitment to excellence, is a burgeoning Afrobeats/Afro-fusion talent hailing from Abuja, Nigeria. From a young age, music has been the essence of his being, galvanized by his early involvement in the church choir. This musical odyssey led to the creation of 11 remarkable singles, each resonating deeply with an ever-growing global audience, cementing his status as a prodigious singer/songwriter. Fusing elements of Afrobeats, R&B, and hip-hop, Fuji, Firstklaz's musical tapestry is a captivating blend of ingenuity, transported by lyrical dexterity and an expansive spectrum of genres. Influenced by luminaries such as Bob Marley and Fela Kuti, his artistry pays homage to the greats while forging a path uniquely his own. Acknowledged by industry stalwarts such as Joeboy, ODUMODUBLVCK, NSG PAPI, ZLATAN, and Khaid for the chart-topping Gen-Z Fuji track, alongside recognition in esteemed publications such as GrungeCake, TheNativeMag, WordPlay, IMullar, and AmeyawDebrah, serves as a testament to Firstklaz's rising prominence in the industry. Firstklaz's imprint on the music scene continues to earn widespread acclaim and recognition, driven by a steadfast commitment to sharing his musical gospel with the world, he ardently pursues the pinnacle of global stardom and the enduring impact of his craft. Gen-z Faaji features Joeboy's pan african voice with a co-sign by Olamide on the recent Gen-Z Arewa.

CO-SIGNS

FEATURES

MENTIONS

FirstKlaz made a dynamic entry into the Nigerian music scene in early 2024, steadily releasing tracks that have garnered significant attention from industry professionals and new fans alike. Since his debut, he has amassed nearly 10 million streams across various digital streaming platforms (DSPs) for his tracks "Ogini," "Gen-Z Fuji," "Gen-Z Fuji II," and "Gen-Z Faaji"

His growing popularity is reflected in media features by prominent outlets such as Okay Africa, Imullar, Grunge Cake, Native Mag, and Culture Custodian. With his contents and active bolstering engagement on social media has not only strengthened his connection with his audience but also led to increased concert performances, bolstered by substantial support from DSPs for all his releases
